Payment Options for All Jazz Club Events

We are often asked how people go about paying to attend our Jazz Club events and we have three options for you:

1. **Payment via Internet Banking:**
   You can pay for your membership or any Jazz Club events by Internet banking. However, if you wish to pay using this method, please email: Treasurer - IJC to ask for the internet banking details.

   Important! When using internet banking, please Include with your payment what it is for, your full name, for example, 'Membership Jo Bloggs' and send an email to Treasurer - IJC to confirm you have paid the money

2. **In person by Cash/EFTPOS:**
   You can make payment at a weekly jazz session, held every Saturday at BAR67, Collegians Club Wollongong from 2pm to 5pm.

   EFTPOS – Square Terminal – Payment by Credit Card
   The IJC has an Electronic Funds Transfer Point of Sale System called a "Square Terminal" which is available to use in person at our weekly jazz sessions. Please note that the fee to use the terminal is 1.6% of the transaction price.

   Example:
   If you are paying $10 to enter a weekly jazz session and you pay using your card, you will pay $10.16

3. Cheque/Money order:
   Please make your cheque or money order payable to Illawarra Jazz Club Inc and mail it to our PO Box 6017, Wollongong NSW 2500 or you can still drop this to us in person – see point 2 above.

If you have any issues with making payments, please email Treasurer - IJC.
