Sounds of Swing – 3rd November

We would like to thank Emma Kelly for replacing Ron at this July gig and for doing such a fantastic job. Also, thanks to Annaliesa Kirkwood for filling in for Kim and Mick Reid, guitar and harmonica for filling in for Ron at our September gig. We had to replace Kim as she was on holiday in N.Z. and Ron (the happy wanderer) was travelling at the time. This proved to be successful as the crowd very much enjoyed the day. Our upcoming gig on Sat, 3rd Nov, we are almost back to normal with the return of Kim and Ron, but as Greg our drummer cannot make this one we have managed to replace him with Ron Lemke, one of the best drummers in the business. It should be a great day.

Captain Bob's Stationhouse Seven – 10th November

A Dixieland group of 7 talented musicians from Sydney & the South Coast who play trad jazz in their enthusiastic, toe-tapping style.

The Band – Bob Netting (Trumpet, Leader), Joe Borg (Reeds), Phil Swain (Trombone), Colin Davies (Double Bass), Hugo Pfandler (Banjo), Gordon Brown (Piano), Bruce Jenson (Drums).

Third Avenue – 17th November

Third Avenue formed from a group of friends from school and University who wanted an excuse to pick up their instruments again and play some jazz! They are based in Sydney, but the band's main annual gig is at the Merimbula Jazz Festival, where they have played in various forms for the last 5 years to a growing and loyal fan base of festival goers. They feature two vocalists, horns and a rhythm section and play upbeat jazz covers of modern pop hits with a few classic jazz standards sprinkled through – P4 more info!

Firefly – 24th November

A tribute to the 70's, Firefly is a classic rhythm, rock and blues band creating music ranging from sweet harmonies and easy listening sounds to powerhouse rock n roll guaranteed to get you on the dance floor.
